Here Are a Few of the Superlative Values You Will Miss if You Don't Visit Us To-Morrow.

"NADINE" CORSETS.
THE NADINE is the most perfectly shaped corset imported, and is exclusively manufactured in Paris for our exclusive trade. It combines the excellence of French material, workmanship and finish with the long waisted, exquisite American shape from which it is modelled. This corset gives an exceeding gracefulness of outline to the figure.

through its tendency to impart a lengthening effect to the waist and to reduce the size. We have them in three lengths, perfectly adjusted to fit all shapes to perfection, in drab, white and black, and in all sizes in Italian cloth, satin and coutil, from
